

Playa Del Segundo TRAVEL TEAM Mission Statement

Professional Solution-Based Travel Management

“We’re Always Here for You.”

Playa Del Segundo Travel Team provides professional, personal, creative solution-based travel management. Our philosophy is simple, “We are always here for you,” anytime of the day or night, meeting the unique needs of our clients. We share our extensive knowledge of hotels, airlines, car services, and our network of fellow caring professionals with our clients to create an enjoyable travel experience even under unpredictable travel conditions.

We find the most beneficial values for our clients, through contract negotiations with major carriers/providers, and personal contacts. Our core values are integrity, honesty, reliability and dependability. We are committed to prompt, fast, detail-oriented accurate white-glove service.
